

872 KIWANIS KANATA AIR CADET SQUADRON 2022 POST-SECONDARY BURSARY APPLICATION

AVAILABLE ONLY FOR AIR CADETS ACTIVELY PARTICIPATING IN 872 SQUADRON.

Purpose: To provide a Bursary for up to 2 deserving cadets from the 872 squadron in the amount of \$2000 per winning recipient. The SSC will commit to provide this bursary until school year 2022-2023, at which point it will be re-evaluated. Being all volunteers, SSC members understand the value of giving of one's time. This bursary is intended to reward cadets, who have given back by volunteering their time to both the 872 squadron and in the community, with financial support for their first year at an [accredited post-secondary Institution](#).

Who: The successful candidates will be cadets entering post-secondary education in an [accredited Canadian Post-secondary Institution](#) (excluding programs fully funded by the Canadian Government such as RMC or ROTP) in the fall of 2022. The candidate must not have previously been a recipient of this bursary.

The candidate must

- have been a cadet during the calendar year of submission, and
- have been a cadet for at least two full school years.

A cadet's merit for this bursary will be judged on the following criteria:

- How does the candidate give back to the squadron:
- Teaching
- Mentoring other cadets
- Projects that help the squadron
- Leadership
- Volunteer efforts for the squadron and the community
- The candidate's rating on the squadron matrix. (to be provided by 872 staff)
- The Recruitment project

How to apply:

Information to be provided: We require the *Original and One Copy of:*

- Filled 2022 post-secondary Bursary application Form (Attached)
- For community service – Fill in the attached form, make more copies if necessary. Written proof in the form of a letter from organizations outside of Cadets in which you have volunteered is to be attached. The letter should detail your name, the list of activities in which you have volunteered, the number of hours you contributed and contact information from the person directly responsible for the activity. Normally only volunteering completed during the last 3 cadet years would be considered but due to COVID we will accept volunteering completed over the past 4 years.
- Recruitment project (see below)
- All applications are to be submitted in their entirety by the deadline provided below.

Recruitment project details:

As part of the application, each candidate must also provide a recruitment project in the format of their choice. These can include but are not limited to: (PowerPoint presentations, Song, Video, graphic novel...). This project may be used as a tool for recruiting new cadets. The 872 Squadron will own the intellectual property of all submitted projects.

These projects will be judged on the effectiveness of recruitment based on:

- The merits of joining – E.g. what you learn and how it helps with future endeavours, making friends
- The merits of available programs - E.g. Band, Drill, Marksmanship, Biathlon, Ground School.
- Any other reasons - E.g. Fun or team building activities, museum sleep over, FTX, summer camps...

As a rule of thumb, projects such as a song, video or presentation should be between 3 – 5 minutes in length. If in doubt, seek clarification using the contact information provided below. Length will only be judged if the project is considered too long. We believe you stayed in cadets for good reasons, so tell the upcoming recruits what these reasons are through your project and be positive, be creative, and have fun.

More Information:

A selection board comprised of members of the 872 Squadron Sponsoring Committee (SSC), former members of the SSC and 872 Squadron Staff, will consider all eligible candidates. The Chairperson of the Sponsoring Committee will declare the name of the recipient(s) of the bursary, and a cheque will be presented to the recipient when all requirements have been satisfied. Following selection, the recipient may be requested to pose for or provide a photograph or digital image (in uniform) for purposes of publicity.

An award will not be approved until confirmation of proof of payment of the first semesters' tuition for the accredited post-secondary Institution has been received. In this regard, it should be noted that such proof is not required at the time of application; but that it will be required from the selected recipient(s) as soon as possible after that determination has been made.

The following marking scheme will be used when considering the applications:

- Squadron profile such as the matrix, giving back, attendance, fundraising... : 45%
- Non-squadron volunteering (list and proof): 20%
- Project: 35%

Applications are due by April 30th, 2022

If you have any questions please contact the 872 Squadron at 872.chairperson@cadetsair.com.
