872 Kiwanis Kanata Royal Canadian Air Cadet Squadron Golf Fundraiser Tournament

June 21, 2024

Dear Friends,

I am writing today to request your support in the form of a sponsorship for 872 Squadron's Charity Golf Tournament, which will take place on **June 21st 2024**, at the Greensmere Golf & Country Club. We are seeking your support this year through corporate sponsorship, auction donations or direct participation by attending the tournament.

The tournament promises a wonderful day at the Greensmere Golf & Country Club with power cart, 18 holes of golf, Chicken & Rib Dinner, accompanied by both live and silent auctions.

The 872 Kiwanis Kanata Air Cadet Squadron has been operational in western Ottawa for over forty years and is the second-largest squadron in the Ottawa Valley region. To this day Cadets remain one of Canada's premier youth development organizations. The primary focus of the program is leadership growth. The approximately 300 members of our Squadron, ages 12-18, are engaged in as many as three or four activities weekly, in addition to summer training camps.

The program's goal is to provide cadets with the opportunities to develop as individuals and team players, to enhance their knowledge related to flight and flying, contribute to their community through volunteer service and participation in Remembrance Day and similar activities, and to mature into responsible young Canadians.

As you can imagine, the cost of running the program is significant. Our pre-pandemic operating budget was approximately \$150,000 per year. This covers expenses such things as: rental of schools and facilities for training purposes, a weekend-long outdoor training activities, Air Cadet League fees, first aid training, and a host of other activities designed to bring out the best in our cadets. With about 25% of our funding coming from DND, we have a fund-raising goal for this year of approximately \$120,000.

We are hopeful that this event will raise a significant portion of the funds needed for the upcoming year. We ask that you consider supporting this very worthy cause. For more information or to participate please contact Ruslan Rovishen, our Director in charge of the event, at rrovishen@gmail.com for a complete list of sponsorship opportunities. Thank you in advance for helping us achieve our goal in support of the 872 Kiwanis Kanata Air Cadet Squadron.

Yours truly,

Susan Trimble
